

Dear PCS family, teachers and staff:

Starting on **September 18, 2016**, the PSU parking structure is no long free. Please expect to pay for your parking when you come to school on Sunday.

I have not received any fee schedule at this point, but suspect it would be on hourly rate. I understand this will cause some inconvenience to you all. I have submitted an inquiry regarding parking permit. Once I get the guidelines for how to apply for parking permit. I will forward it to you right away.

Yours in education,

Tsueyhwa Lai, DAOM
2016 Principal of PCS
